3D Modeling & Animation	★ ★ ★ ↓

EMPLOYMENT:

CareSource (2016 - Present)
Technical Business Analyst - Web and Mobile Teams

RESPONSIBILITIES:
Multi-team Agile support and analysis for over 10 unique products. Responsibilities include requirements gathering, crafting of user stories, coordination between internal and external teams, analysis of technical dependencies and developing custom scripts used for release notes and TFS to HPQC integration. Leveraging my visual communications background I am also utilized for User Experience (UX) consulting and User Interface (UI) design and mock-ups.

COMPANIES I'VE WORKED WITH:

TDH Marketing / Bitstorm Web (1997 - 2016)
Director of Web Development

RESPONSIBILITIES:
Website design & development, wire-framing/mock-ups, prototyping, custom web applications, CMS integration, graphic design, 3D CAD visualization, 3D modeling & animation, video editing, multimedia presentations, project quoting, project management, troubleshooting, customer support and creative ideation.

Freelance Web Design / Development
I provide a full range of website services including: mobile responsive website design and development, CMS integration, graphic design and more.

EDUCATION:

Associates of Applied Science - Visual Communications
Dayton, OH (Sinclair)
